

EXCLUSIVE

Water

enriched with

bee propolis

Unique product, has no analogues in the world

NEW

«Health» from the heart of nature:

Artesian water + bee
propolis

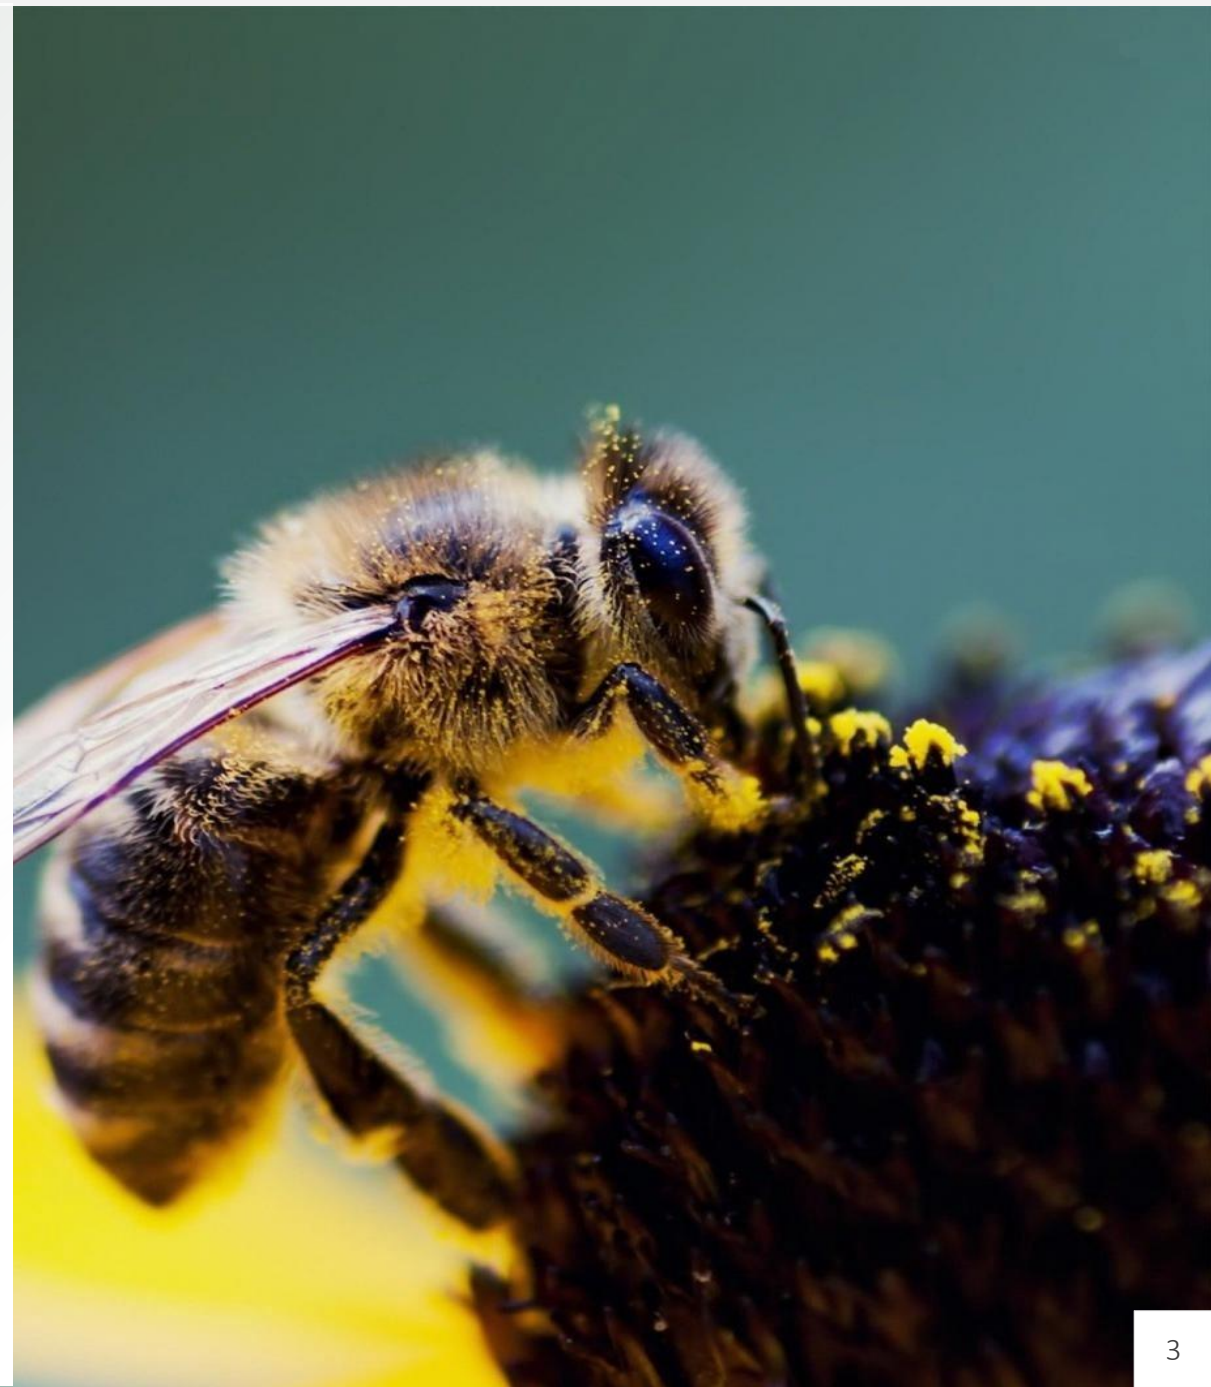

Produce in 2019 by the President
Public organization “Kyrgyz Union of
Beekeepers” - K. Karaketov in order to
improve public health, as a part of the
"Health of the Nation " program.

What is propolis?

A natural **antibacterial and antiviral** product produced by bees from resins of various plants to protect against **viruses and bacteria**.

Useful properties for human:

- Antimicrobial
- Anti-inflammatory
- Immunomodulatory
- Cardioprotective
- Anticancer

ВОДА
обогащённая
прополисом

Due to the balanced composition of artesian
water

(depth more than 100 m) in combination
with the rich natural composition of bee
propolis, you immediately get several
benefits for the body:

-  Strengthens immunity
-  Improves metabolism
-  Restores the digestive system
-  Purifies and rejuvenates the body
-  Prevents cancer and heart diseases.

ВОДА
обогащённая
прополисом

Drink one liter of water with propolis
every day and
protect yourself from viruses!
